

The Richard B. Bernstein Lectures

University of Wisconsin-Madison, Department of Chemistry

Professor Hans-Joachim Freund
Department of Chemical Physics
Fritz Haber Institute of the Max Planck Society

Monday, March 24, 2014

Model Systems for Heterogeneous Catalysts at the Atomic Level

2:00 pm, Room 1315 Chemistry

Reception 3:30 pm, Shain Atrium

Tuesday, March 25, 2014

Thin Oxide Films and the “Physics” of Catalysis

11:00 am - Room 1315 Chemistry
