

The Richard B. Bernstein Lectures

University of Wisconsin-Madison, Department of Chemistry

Professor Stephen Leone
Departments of Chemistry and Physics
And Lawrence Berkeley National Laboratory
University of California, Berkeley

Monday, April 25, 2016

Molecular Dynamics with Ultrafast X-rays

2:00 pm, Room 1315 Chemistry

Reception 3:30 pm, Shain Atrium

Tuesday, April 26, 2016

Attosecond Electron Processes in Solids

11:00 am - Room 1315 Chemistry
