

The John D. Ferry Lectures

University of Wisconsin-Madison, Department of Chemistry

Professor Timothy P. Lodge
Department of Chemistry
Department of Chemical Engineering &
Materials Science
University of Minnesota

Monday, April 21, 2014

***Block Polymer Nanostructures in Ionic Liquids:
Stimuli Responsive and Functional Materials***

3:30 pm, Room 1315 Chemistry
Reception to follow in Shain Atrium

Tuesday, April 22, 2014

***What Do We Understand About Equilibration in
Block Copolymer Micelles?***

11:00 am - Room 1315 Chemistry
