

# The 2015 John D. Ferry Lectures

---

University of Wisconsin-Madison, Department of Chemistry

Professor Xiaowei Zhuang  
Department of Chemistry & Chemical Biology  
Department of Physics  
Harvard University

**Wednesday, May 13, 2015**

***Illuminating biology at the nanoscale with single-molecule  
and super-resolution imaging***

11:00 am, Room 1315 Chemistry

**Thursday, May 14, 2015**

***Single-molecule and super-resolution studies of chromatin  
structure and gene expression***

11:00 am - Room 1315 Chemistry
