

## ECS Spring 2012 Career Fair

---

**Please review the University of Wisconsin-Madison Career Fair Attendance Guidelines.**

These guidelines ensure the rights of all participants (job-seeking students, vendors and staff) are respected.

1. Maintain a conversational tone in all interactions (no yelling, shouting, chanting).
2. Intimidating or threatening behavior in any form is unacceptable.
3. Easy access to recruiters and tables must be maintained at all times to allow participants to approach, leave and move between tables at will.
4. Limiting or preventing the entrance/exit to any event room is prohibited.
5. Signs, banners or posters that block access to or limit the ability to view display tables or impede student traffic are not allowed in the event area.
6. Groups wishing to exercise their right to peacefully protest any aspect of the event are allowed to do so in accordance with these guidelines.

Failure to recognize and respect the rights of others and engaging in conduct deemed unacceptable and disorderly to event participants will result in action by the Dean of Student Life Office and University Police.
