

# GREEN

# Careers

- Are you thinking about a career in an environmental or green field?
- What is a green career anyway?
- How do you find a job that incorporates your passion for the environment?
- What resources can I use to get started on the job search?

**Come to this discussion presented by a Letters and Science career advisor! Learn the answers to these questions, and the steps you can take to find your place in today's green market.**

**TUESDAY, APRIL 24TH**

**4:30 - 5:30 PM**

**ROOM 120, MIDDLETON BUILDING**

**1305 LINDEN DRIVE**

Letters and Science Career Services
