

**SPECIAL MATERIALS & ANALYTICAL
SEMINAR**

Thursday, May 3, 2018

12:15 pm, 1315 Chemistry

Yue Qiu
Materials Award

Mark Ediger research group

“Better Glass Packing Slows
Photochemistry (a lot!)”

Nick Riley
Analytical Award

Joshua Coon research group

“The Many Uses of Activated Ion Electron Transfer
Dissociation for Proteome Analysis”

*This seminar celebrates the
2018 Hartl Excellence in Research Awards
given annually to one student in each path.*
