

DEPARTMENT OF
Chemistry
UNIVERSITY OF WISCONSIN-MADISON

Standard Operating Procedure (SOP): **Personal Protective Equipment (PPE)**

When entering any lab in the UW-Madison Chemistry Building, individuals must wear the appropriate personal protective equipment (PPE) designated for that lab. Individuals entering any research or teaching lab in the Chemistry Building must wear protective eyewear such as lab goggles or lab glasses; closed-toe shoes; and appropriate clothing. The individual in charge of the lab (e.g., principal investigator or lab director) determines the PPE required for each lab.
