Short summary of the research that the employee will be doing:

Please send their CV along with this form

New Research Associate Rates are between \$39,000-\$41,000. Anything higher will require a justification.

Note: If you don't pick the 1st of the month for their start date, they will not have insurance until the first of the following month.

Example: Jane Doe's start date is May 5, 2015. She will not have insurance until June 1, 2015. If she starts May 1, 2015, she has the option to have insurance May 1, 2015.
